Dear Mr. Chebat,

Thank you for your phone call and email yesterday. With respect to providing a copy of the executed agreement, we are in the process of checking with both our legal team and the legal department of our investor to determine "if" and "what" we can release regarding the agreement under the Proprietary Information Agreement (PIA) and Confidentiality Clauses Associated with the Agreement. At the very least we may need to have you/your firm enter into an PIA or Non-Disclosure Agreement (NDA) prior to releasing the document. Both Brian Colvin and I will be addressing this issue and will get back to you as quickly as possible.

Best Regards,

Chris
